# Funding Description

- Primary prevention programs and strategies are:
  - directed at individuals not identified as in need of treatment, and
  - involve activities that shift focus 'upstream' to educate and support individuals and communities to delay the initiation of youth substance use and prevent the development of drug & alcohol misuse behaviors and substance use disorders.
- ARPA prevention funding focus area:
  - **Implementation of ACES's related evidence-based programs/practices – specifically reaching underserved populations (including young adults and older adults)**
