

## ANNUAL TRAINING OPPORTUNITIES FOR PREVENTION PROFESSIONALS

The Office of Drug Policy envisions a safe and healthy Idaho free from the devastating impact of substance use on youths, families, and communities. And ODP firmly believes that a professional and empowered substance use prevention workforce is key to combatting Idaho’s substance use issues. ODP is happy to offer and fund training to support professional development and CPS requirements for the prevention workforce. Learn more about the CPS certification at [http://ibadcc.org/new\\_web/certification/cps/cps.shtml](http://ibadcc.org/new_web/certification/cps/cps.shtml).

### Northwest Prevention Technology Transfer Center (PTTC) Monthly Webinars

The Northwest PTTC is funded by SAMHSA and exists to advance the Region 10 prevention workforce’s ability to find, select, implement, and evaluate evidence-based and promising substance misuse prevention programs, policies, and practices. The Northwest PTTC offers 10 webinars annually (approx. 1 per month) that are typically approved for CPS CE credit, 1-hour each. [Sign up for the NW-PTTC listserv](#) to receive notifications. ODP also send out regular email notifications. Examples of previous webinars include:

- Identifying Culturally Relevant and Effective SUD Prevention Programs for Tribal Communities
- Opioid Misuse and Overdose Prevention: Moving Upstream
- Regional Methamphetamine Use: What Prevention Practitioners Need to Know
