

IDAHO STATE POLICE PROCEDURE

05.08 USE OF NALOXONE BY ISP PERSONNEL

A. General

The purpose of this policy is to establish guidelines and regulations governing the utilization of naloxone by trained personnel with the Idaho State Police (ISP). The objective is to treat and reduce injuries and fatalities due to opioid-involved overdoses. Per Idaho Code [54-1733B](#) any person who, in good faith, administers an opioid antagonist to another person who appears to be having an opiate-related overdose, shall not be liable in a civil or administrative action or subject to criminal prosecution for such acts.

B. Definitions

“Opioid” means containing or derived from opium, including but not limited to heroin and morphine.

“Opioid Antagonist” means a drug that nullifies in whole or in part the administration of an opioid. The opioid antagonist for the purpose of this policy is limited to naloxone hydrochloride (here after naloxone).

C. Acquisition

1. ISP will choose a Physician who will be responsible for issuing a naloxone prescription to the Idaho State Police. Prescribed naloxone will be issued to trained ISP personnel, to be used in their official duties.

D. Training

1. All participating commissioned personnel, evidence intake technicians, and participating forensic scientists will participate in an approved naloxone training program.
2. Training acknowledgement forms will be maintained in the district/program personnel file.
3. All newly hired personnel in the above mentioned positions shall receive the initial training within 180 days of his or her first day of employment.
4. All participants shall be trained annually on naloxone administration.
5. Upon successful completion of naloxone training, naloxone will be issued to trained personnel.
6. The ISP will identify an individual to be the Naloxone Agency Coordinator for the naloxone administration program. The Naloxone Agency Coordinator’s responsibilities will include:

IDAHO STATE POLICE PROCEDURE

- a. issuing naloxone to trained personnel;
 - b. auditing naloxone training acknowledgement forms;
 - c. assuring the supply, integrity, and expiration dates of the naloxone kits; and
 - d. assuring the maintenance of the administration records.
7. The agency coordinator will facilitate naloxone user training for participating employees. The district/program will maintain training records for all personnel, in the district personnel files, and update these records as training events occur.

E. Protocol

1. Trained personnel will follow the manufacture's recommendations for administration of naloxone.

F. Maintenance and Replacement

1. Naloxone kits shall be carried and or kept in a manner consistent with proper storage guidelines for temperature and sunlight exposure.
2. A monthly inspection of the naloxone kit shall be the responsibility of the personnel assigned the equipment.
3. Used, lost, damaged, or expired naloxone kits shall be reported through the chain of command to the agency coordinator, and will be replaced by the agency coordinator.
4. Expired naloxone will be properly disposed of in accordance with ISP procedure [06.09 Evidence and Property](#).

G. Documentation

1. Following naloxone administration, ISP personnel shall submit a completed [EHF-05.08-01 Naloxone Administration](#) from to his or her supervisor.
2. A copy of the Naloxone Administration Form shall be included in the case file.
3. A copy of the Naloxone Administration Form shall be forwarded to the Naloxone Agency Coordinator electronically at DL Naloxone mailbox. The program coordinator will maintain the Administration Forms in a digital format in accordance with the ISP record retention policy.
