## **ATTEND ICADD**

*30 Years of Wisdom*  
*Transforming Systems – Transforming Lives*

The mission of the Idaho Conference on Alcohol and Drug Dependency (ICADD) is to provide education and training for substance abuse and dependence professionals and educators in behavioral health care, criminal justice and recovery care.

### **Don't Miss this Year's Conference**

This year promises to be great with coalition and prevention track sessions available, plus three fantastic keynote speakers!

Dates: Pre-conference Workshops May 12

General Conference May 13-15

Location: Boise State University

For more information, click [HERE!](#)

Registration is available onsite at the conference. Single day conference rates available.

**APPLY FOR THE 2015 STRATEGIC  
PREVENTION FRAMEWORK  
(SPF) GRANT**

The Idaho Office of Drug Policy (ODP) is accepting applications for fiscal year (FY) 2015 Strategic Prevention Framework Grants (SPF). The Federal SPF grant has two goals:

1. Prevent the onset and reduce the progression of substance abuse, including childhood and underage drinking,
2. Reduce substance abuse-related problems in communities, and; Build prevention capacity and infrastructure at the State/Tribal/Territory and community levels.

The deadline for submission of completed applications is 5:00 PM MST on Monday, June 2, 2014. Late proposals will not be accepted.

Complete an online application [HERE!](#)

## LEGISLATIVE UPDATE

The 2014 legislative session proved helpful to the ongoing prevention efforts in

Idaho. Several bills supported by ODP were passed by the House and Senate and signed by the Governor.

- **House Bill 396** – this bill requires any prescriber with a controlled substances license to register for the state's Prescription Monitoring Program. This database allows doctors, dentists, and other healthcare professionals to check a patient's prescription history to help reduce fraudulent prescription seeking or "doctor shopping".
- **Senate Bill 1327** – this bill amended existing law to allow schools to maintain a small supply of epinephrine auto-injectors in case a student suffers an allergic reaction.
- **Senate Bill 1379** – this bill amended existing law to add several controlled substances such as those known by the street names Smiles and N-bomb to those classified as Schedule I drugs.

**MISSION:** The Idaho Office of Drug Policy leads Idaho's substance abuse policy and prevention efforts by developing and implementing strategic action plans and collaborative partnerships to reduce drug use and related crime, thereby improving the health and safety of all Idahoans.

**VISION:** The Idaho Office of Drug Policy envisions an Idaho free from the devastating social, health, and economic consequences of substance abuse.

*304 N 8th St, Room 455 Boise, Idaho 83720*
